

Before you go checklist

smartraveller.gov.au

BE INFORMED > BE PREPARED

-
- Read the travel advice on Smartraveller, subscribe for updates and follow us on Facebook and Twitter.
 - Familiarise yourself with COVID-19 entry and exit restrictions in Australia and in your destination.
 - Check your passport is valid for at least 6 months from when you plan your trip to end.
 - Get the right visa for the countries you're visiting and transiting through.
 - Get comprehensive travel insurance to cover you and your belongings.
 - Have a health check-up and get vaccinated - 8 weeks before you go.
 - Check if your medication is legal in the places you're going.
 - Tell your bank you're travelling and check your cards will work overseas.
 - Check if you'll need an International Driving Permit.
 - Research the local laws of the countries you plan to visit. If you are a dual national, check if this will have any implications for your trip.
 - Share your itinerary, contact details, and copies of your important documents with friends or family. Stay in touch.
 - Know what to do if there's a crisis when you are overseas.
